SENIOR YEAR CHECK LIST

1. You will be given a date for your **formal headshot** with Nicole Myhre.
2. After your formal session you will then step outside with me to take your **casual headshot!** There are two sections in the yearbook for seniors - a formal & casual section of your headshots.
3. Make sure to pack your casual outfit to change into after your formal and then bring the two payments. There is a **\$50 fee for your formal headshot (Myhre) and a \$25 fee (Dressel) for your casual headshot.** These will have to be two separate payments. You can pay venmo, apple pay, paypal, cash or check. ***This MUST be paid to each photographer ON or before your picture day or you will not be in the yearbook.***
4. If you book a full senior photoshoot with me BEFORE your formal headshot date, you do not have to pay the \$25 for your casual headshot on that day. It will be included in your full photoshoot. You will still take both the formal and casual headshots but you can replace your casual headshot with any of the pictures we take during our photoshoot.
5. Let this process be fun :) It's a beautiful memory you will have for the rest of your life so make your senior photoshoot personable! Booking a full photoshoot is where you make things personable and fun!!! Go to my website **www.kphotograph.com** to view the different collections, book a session, or to view my galleries!

TIPS FOR YOUR SENIOR PORTRAIT

BOYS

Outfits: Pick a shirt that flatters your eyes and complexion. You can bring a sports jersey, seasonal clothes, cameo, or any look you would like!

Hair: Have your hair clean, dry, and trimmed. Plan haircuts ahead of time so cut lines do not show on your shoot day!

Location: What kind of look do you want? City, country, sports field, library, or hunting.

Props: Sports equipment, hunting gear, boats, cars, musical instruments, bring whatever captures your high school career!

GIRLS

Outfits: This is your chance to show different looks! Bring your own gown, casual, sports, or anything that flatters you!

Hair: Have hair styled!

Nails: Nails often show in your portraits so be sure they are trimmed and clean. Get rid of chipped polish!

Location: City, country, library, dance studio, art studio, etc!

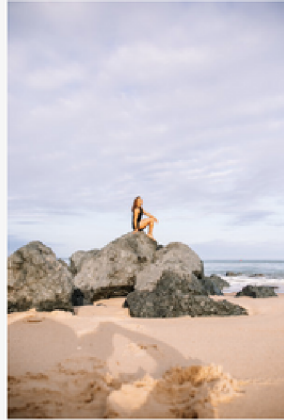

Props: Grad cap, flowers, books, balloons, instruments

Makeup: Matte is a must. Stay away from shimmery powder and say no to SPF!
